

Meridian Fabrication — Q1 2025 Missing-Documents Request (DRAFT)

To: David Kwan, Chief Financial Officer, Meridian Fabrication LLC **From:** Sarah [RM], Centerline Bank, N.A. — Commercial Banking **Re:** Q1 2025 reporting package — outstanding items

Hi David,

Thank you for sending the Q1 2025 reporting package. We've logged the covenant compliance certificate, the Q1 financial statements, and the A/R aging report.

To complete the package, we still need the following:

- 1 **Signed management representation letter** — the copy we received was not executed. Please send the signed version.
- 2 **A/R aging — customer detail** — the aging we received does not include customer names; please provide the named detail for the 60–90 day balances.
- 3 **Aerospace purchase order** — outstanding from our February follow-up list.
- 4 **Cash-flow projections** — outstanding from our February follow-up list.

Separately, please note we are not able to accept the guarantor's personal financial statement through this channel; we'll follow up on the appropriate way to handle that item.

Once we have these, we can finish processing the package. Feel free to send them as you have them — no need to wait until all four are ready.

Thanks, Sarah
