

Arcadia Draw #13 — Draft Client Email

To: Robert Liang <rliang@arcadiapropgroup.com> **From:** Tom DeLuca <tdeluca@centerlinebank.com> **Subject:** Draw #13 — Outstanding Items & Pre-Lease Documentation

Rob,

Thanks for the Draw #13 submission and for your note on April 24. To complete our file, a few items are still outstanding:

- 1 Q1 2025 third-party inspector's report
- 2 GC's updated schedule showing the revised completion date
- 3 Executed lien waivers from the MEP subcontractor (conditional is acceptable)

On the pre-lease summary: our perm-conversion documentation requires executed leases or letters of intent that include tenant name, square footage, and proposed rent per square foot, totaling at least 75% of retail square footage. Verbal commitments and name-withheld LOIs can't be counted toward that threshold for our file. Once leases are executed with names, please send them over and we'll process the conversion review.

If it's easier to walk through any of this by phone, I'm happy to find time this week.

Best, Tom
